FISCAL YEAR 2010 ANNUAL REPORT

*Because every resident counts
...now and forever*

Medina County Community Fund

A fund of Akron Community Foundation

Dear Friends,

As the President of the Board of the Medina County Community Fund, I am very excited to present our fiscal year 2010 Annual Report to the community. This past year has truly been one of transition, reflection and growth for the Medina County Community Fund. As we move forward, it is gratifying to see how the hard work of the Board has paid off with new leadership, renewed commitment and enthusiasm.

Our focus will not stray from our mission of improving the lives of Medina County residents, and we will work to increase our visibility in the community. We are reconnecting with those who have supported us in the past and engaging those who may not know us. We will continue our efficient grant-making process that is grounded in the needs of the community. In order to meet those needs, we will also continue to tap resources available to the community through monetary and in-kind donations from individuals and businesses.

The fund has evolved during the past year, and I am positive that this evolution will pay dividends for the Medina County community.

Because every resident counts...now and forever!

Sincerely,

Don Miksch

President,
Medina County Community Fund Board
